EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column in the manifest given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entry in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 18.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forma 599, 599A, and 599B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest given in these special instructions and is followed in parentheses. In all cases it is to be included in column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brick polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African, Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join with a relative or friend, and if so, what relative or friend, with name and complete address.

Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Antonio Lopez, of the ANTONIO LOPEZ, from Barcelona, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907

Immigration Officer

Affidavit of Surgeon.

I, Jose Gajanal, Surgeon of the ANTONIO LOPEZ, do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Habana, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 16 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Immigration Officer

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron polisher, wood polisher, etc., and not simply as engineer, polisher, builder, tailor, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for hire, and is not a farmer.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write). Column 5 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 6 (Exteriority). Column 6 should be entered to mean the country of which manifestant is a citizen or subject.

Column 7 (Race or people). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

- CUBAN.** The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.** "West Indian" refers to the people of the West Indies other than Cuban (not Negroes).
- SPANISH-AMERICAN.** "Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (Negro). The people who are native to the African Negro, whether coming from the islands of the West Indies, North or South America, Europe, or Africa. Any appearance indicates an admixture of Negro blood should be classed as "Negro."

ITALIAN (NORTH). The people who are native to that portion of Italy in northern part of Italy, including Lombardy, Veneto, and Emilia, and those who are residing in Italy, Switzerland, Austria-Hungary, or any other country as "Italian, north." Most of these people speak a dialect subject to revision by any inspection officer in the examination.

ITALIAN (SOUTH). The people who are native to that portion of Italy south of the line of the Tiber, including Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those who are residing in Italy, Switzerland, Austria-Hungary, or any other country as "Italian, south." Most of these people speak a dialect subject to revision by any inspection officer in the examination.

Column 11 (Last permanent residence). The entries in column 11 should show the country, and city or town of last permanent residence. The purpose of this column is to show the country of temporary residence, independent of country of permanent residence, nationality.

Aliens who are permanent residents of the United States should be recorded as "United States" under head of last permanent residence.

Column 12 (Final destination). The entry in column 12 should show the place (city or town) of final destination.

Column 13 (Whether having a ticket to reach final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 14 should show the name of the person or company by whom passage was paid, as self, husband, wife, relative, friend, steamship company, etc.

Column 15 (Whether in possession of \$20.00 or more). The entry in column 15 should give in each case the amount of money shown.

Column 16 (Whether bringing with him or her more than \$20.00 or more). The entry in column 16 should show whether the person is bringing with him or her more than \$20.00 or more, as money, jewelry, etc.

Column 17 (Whether ever before in the United States). The entry in column 17 should show whether the person has ever before in the United States, as Yes or No.

Column 18 (Whether coming to the United States for the purpose of performing labor). The entry in column 18 should show whether the person is coming to the United States for the purpose of performing labor, as Yes or No.

Column 19 (Whether coming to the United States for the purpose of performing labor). The entry in column 19 should show whether the person is coming to the United States for the purpose of performing labor, as Yes or No.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 200, 200 A, and 200 B), so far as it relates to alien arrivals (including those in transit and coastwise), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses. In all cases, up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The age, in years, of each alien should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc.; and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who manages a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new number 1500 A and 1500 B), as far as it relates to alien arrivals, including those in transit, should be made in accordance with the following classifications. The instructions of the column on the manifest is given in these special instructions and is followed by the instructions in columns 1 to 10 and including column 10 by a descriptive title, and by the column on the manifest it relates.

Column 1 (Age). The age of each alien should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). The entry in column 3 should be either M (married) or S (single).

Column 4 (Profession or occupation). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, satisfactory engineer, locomotive engineer, sailing engineer, brass polisher, stock polisher, iron polisher, wood turner, etc., and not simply an engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money they receive as salary.

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write). Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), by Yes, No (can read but not write).

Column 6 (Nationality). Column 6 should be entered (a) mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 7 (Race or people). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)."

Column 8 (Last residence). The entry in column 8 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 9 (Final destination). The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to each final destination). The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid). The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$50, and if less, how much). The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where). The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, Sept. 25, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend). The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B, new numbers 241, 240 A, and 240 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, " France " appearing on a manifest does not necessarily mean " French " by race or people, and similarly, " French " appearing on a manifest does not necessarily mean " France " by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term " Cuban " refers to the Cuban people (not Negroes).

WEST INDIAN.

" West Indian " refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

" Spanish-American " refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

" African (black) " refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as " Italian (north) ". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classified as " Italian (south) ".

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town of the place (city or town) of final destination.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50. and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B, new numbers 200, 200 A, and 200 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions, and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widow), or D (divorced).

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1290, 1290 A, and 1290 B, and 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications: The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, gun maker, wood turner, etc., and not simply as engineer, polisher, maker, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and entries thereon should be made, if necessary, by inspectors and registry clerks during the post-arrival examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries thereon should be either Yes (Yes (can read and write), No (No (can neither read nor write), or Yes (No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than China (not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marche, Umbria, Lazio, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)".

Column 10 (Last residence).—The entry in column 10 should show the county and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom sent passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; family; steamship company, etc.

Column 14 (Whether in possession of money).—The entry in column 14 should give in each case the exact amount of money shown.

Money brought by the passenger should be divided among the several members of the family.

Column 15 (Whether employed in the United States before and if so, when and where).—The entries in column 15 should be made in the United States before and if so, when and where.

Column 16 (Going to work or friend).—The entry in column 16 should be made in the United States before and if so, what.

of the **ANTONIO LÓPEZ** from *Barcelona* do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists of Manifest Ships. *25* in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome, or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime, or an infirmity involving moral turpitude, or a polygamist, or an ungrateful, or under promise of a permanent, express or implied, transportation in the United States, or a prostitute, and that also, according to the best of my knowledge, and belief, the information in said Lists of Manifests concerning each of said aliens named therein is correct and true in every respect.

There are two main reasons why the model is not used. First, the model is not used because it is not a good fit for the data. Second, the model is not used because it is not a good fit for the data.

8. *Stimulus*—The stimulus was a 1000-Hz sine wave, 100 ms in duration, and a 1000-Hz sine wave, 100 ms in duration, and a 1000-Hz sine wave, 100 ms in duration, and a 1000-Hz sine wave, 100 ms in duration.

Any state or state party to the Convention on the United States should be recognized and held responsible for the transfer, transportation and transportation of the Convention, but not extending to the state, as the state, which is not a party to the Convention, under the Convention.

dislike the color Yes / No can read and write, No / No can't read and write, Yes / No can read but can't write.

• *Comparison* – should be descriptive, to state the contrast between the two groups

Special attention should be paid to the distinction between state and nationality, and especially to the fact that a state is not a nationality and vice versa. In the regard the Institute of Public Administration has not observed national unity. Firstly, by the state, people and land are joined, appearing on a map as the state, not to be confused with France, by nationality. An English who is living, for example, in **Belgium** is not right to properly come under the heading of United Kingdom or any other country by nationality. In this question the following distinction should be especially observed:

The term "Cuban" refers to the Cuban people, not Negroes.

WU · L · IN · JIAN

* West Indian refers to the people of the West Indies other than Cuban Negroes.

S. P. A. N. I. - I. A. M. I. R. D. A. N.

^aSpanish-American refers to the people of Central and South America of Spanish descent.

JUREAN, W. A.

African "black" refers to the African Negro, whether coming from Cuba or other island in the West Indies, Northeast South America, Haiti, or Africa. African, when appropriate, connotes an admixture of Negro blood should be classified under the former.

HALLAN, N. G. 1971

The people are native to the basin of the River Po in northern Italy, i.e. some part of the Piedmont. I am sure Venetians and Lombards, and their descendants, who are settling in the Swiss cantons of Austria-Hungary, or in other countries, should be classed as Italian, not as. Most of the people speak a Gallic dialect of the Italian language.

The people who are native to that portion of Italy south of the base of the River Po are the inhabitants of Liguria, Tuscany, the Marches, Campania, Rome, the Abruzzi, and Molise, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendents, but not the peoples of Italian South.

Place of birth. Last permanent residence. The entries column should show the *place and city or town of last permanent residence*. It is important to establish the place that citizenship computation should show country of last permanent residence and present country of temporary residence, nationality of last.

When entry is permanent to United States and returning from a short absence, should be recorded as emigrants to United States for country of last permanent residence.

Reference: *For cost action*—The entry also shows 1954 and 1955, before the place, city or town of final destination.

1. *Country* - Where the business is located to which you are directing. The entry in column 2 should be either Yes, market, or No, not a market.

2. *Company* - *Representative person* - The name in column 3 should show definitely in what person was paid, and usually includes either function in that industry, federal agent, top company, etc.

Comment: Whether in possession of \mathcal{L}_{ind} and \mathcal{L}_{ind} has been. The latter is, of course, it should give in each case individuals, finally the exact amount of money shown.

Money brought by the head of a family should not be divided among the seven members of the family.

The entries in column 1 should show whether or not Yes or No in the United States before, and if so, the year or period of years ending, viz., 1894-95, Philadelphia

Column 11: Going to join relative or friend, and if so, what relative or friend. The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Continued on Page 2. The answers in this column are subject to revision by any inspection officer in the examination of ships.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Antonio Lopez, of the ANTONIO LOPEZ, from Barcelona, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 20 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Subscribed to before me this 11 day of May, 1907

at Barcelona

Investigation Officer

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Jose P. L. Lopez, Surgeon of the ANTONIO LOPEZ, do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Barcelona, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 20 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Subscribed to before me this 11 day of May, 1907

at Barcelona

Investigation Officer

State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. *Age.* The return of age of an alien should be expressed in years or months; the latter applying only to those under 1 year of age.
Column 2. *Sex.* The entry in column 2 should be either M (male) or F (female).
Column 3. *Married or single.* The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4. *Occupation.* The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, civil engineer, steamship engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other generic designations.
A distinction should be made between *businessmen* and *free laborers*, regardless of the amount of money shown in column 14.
Column 5. *Knowledge of English.* The entry in column 5 should be either "A" (able to read and write) or "B" (unable to read and write).
Column 6. *Country of birth.* The entry in column 6 should show the country or people as given in full on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race would properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (south)." Most of these people speak a dialect of the Italian language.

Column 7. *Last permanent residence.* The entries in column 7 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States (or country of last permanent residence).

Column 8. *Final destination.* The entry in column 8 should show definitely the place, city or town of final destination.

Column 9. *Whether having ticket to final destination.* The entry in column 9 should be either "Yes" (ticket) or "No" (no ticket).

Column 10. *By whom fare paid.* The entry in column 10 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 11. *Whether in possession of \$20 and if less how much.* The entry in column 11 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 12. *Whether ever before in the United States (and if so, when and where).* The entries in column 12 should show whether or not "Yes" or "No" in the United States before; and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.

Column 13. *Whether in possession of funds and if so, how much.* The entry in column 13 should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Column 14. *Money.* The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

A *farmer* is one who operates a farm, either for himself or others.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter apply only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No—No (can neither read nor write), or Yes, No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens whose permanent residence of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place, city or town, of final destination.

Column 10 (Whether having a ticket to final destination).—The entry in column 10 should be either Yes (ticket), or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Vocation or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Carriage driver, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write; No, No can neither read nor write; or Yes, No can read but not write.

Column 6 (Country of birth).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to reach final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom cost passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply workman, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
Farmers are those who operate a farm, either for himself or others.
Farm laborers are those who work on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrants are citizens or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$50. and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wheel trapper, etc., and not simply as engineer, polisher, upholder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes. Yes (can read and write); No. No (can neither read nor write); or Yes. No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which the immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak Italian dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Emilia, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

"Race or People" is to be determined by the stock from which aliens sprang and the language they speak. List of races will be found on back of this sheet.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Jose Laragosa, of the ANTONIO LOPEZ, from Barcelona, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a bathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907
at New York
[Signature]
Immigration Officer.

* State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Jose Pajual, Surgeon of the ANTONIO LOPEZ, do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Habana, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907
at New York
[Signature]
Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply se, engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupational as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be especially observed:

- CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Lombardy, Venetia and Euglia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place to which the alien is bound.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year, (or period of years) and place, as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Jose Paragon, of the **ANTONIO LOPEZ**, from Barcelona, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907
at New York

Immigration Officer.

*State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Jose Pascual, Surgeon of the **ANTONIO LOPEZ**, do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Illinois, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907
at New York

Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (No can read but can write).
Column 6 (Country of birth).—Column 6 should be construed to mean the country of which immigrant is citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to each final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1884-87, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Lois Hargrave, of the ANTONIO LOPEZ, from Barcelona, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States; or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907
at New York

Immigration Officer.

* State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Lois Hargrave, Surgeon of the ANTONIO LOPEZ, do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Illinois, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907
at New York

Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widow), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy north of the River Po, i. e., the provinces of Padua, Lombardy, Veneto, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po, i. e., the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place, town, or town of final destination.
Column 10 (Whether having a ticket to each final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friends; steamship company, etc.
Column 12 (Whether in possession of \$200, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not Visitor No. in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

* Instead of showing occupation of tourists and aliens in transit, state in column 6 whether they are "tourists" or "in transit."
"Race or People" is to be determined by the stock from which alone sprang and the language they speak. List of races will be found on back of this sheet.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Jose Pajuel, of the ANTONIO LOPEZ from Barcelona, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Jose Pajuel, Surgeon of the ANTONIO LOPEZ, do solemnly, sincerely, and truly declare that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Barcelona, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). The entry in column 2 should be either M. (male) or F. (female).

Column 3 (Marital condition). The entry in column 3 should be either M. (married), S. (single), W. (widowed), or D. (divorced).

Column 4 (Occupation or profession). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, road turner, etc., and not simply as engineer, polisher, painter, etc., or other indefinite designations.

A distinction should be made between *businessmen* and *farm laborers* regardless of the amount of money shown as follows:

Businessmen.—One who operates a firm, either for himself or others.

Farm laborers.—One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of each arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Last permanent residence). Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Column 6 (Nationality). Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.—The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTHERN).

The people who are native to that portion of Italy south of the River Po, comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (southern)." Most of these people speak a Gallo-Italic of the Italian languages.

ITALIAN (SOUTHERN).

The people who are native to that portion of Italy south of the River Po, comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (southern)." Most of these people speak a Gallo-Italic of the Italian languages.

Column 12 (Whether having a ticket to reach final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (Whether in possession of money). The entry in column 13 should show whether or not, Yes or No, in the United States before, and if so, the year or period of years, and place, as 1894-95, Philadelphia.

Column 14 (Whether in possession of money). The entry in column 14 should show whether or not, Yes or No, in the United States before, and if so, the year or period of years, and place, as 1894-95, Philadelphia.

Column 15 (Whether in possession of money). The entry in column 15 should show whether or not, Yes or No, in the United States before, and if so, the year or period of years, and place, as 1894-95, Philadelphia.

Column 16 (Whether in possession of money). The entry in column 16 should show whether or not, Yes or No, in the United States before, and if so, the year or period of years, and place, as 1894-95, Philadelphia.

Column 17 (Whether in possession of money). The entry in column 17 should show whether or not, Yes or No, in the United States before, and if so, the year or period of years, and place, as 1894-95, Philadelphia.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50. and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:
Farmer (owner).—One who owns a farm, either for himself or others.
Farmlaborer.—One who works on a farm for the man who operates it.
Stowage companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Date, month and year).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes (No (can read but not write)).
Column 6 (Nationality).—Column 6 should be entered to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallo-Italic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)".
Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that stowage companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place, city or town of final destination.
Column 10 (Whether having a ticket for final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, stowage company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.
Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

* Instead of showing occupation, state in column 9 whether they are "tourists" or "in transit".
† Race or People is to be stated by the stock from which aliens sprang and the language they speak. List of races will be found on back of this sheet.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Jose Laragon of the ANTONIO LOPEZ, from Barcelona, do solemnly, sincerely and truly declare that I have caused the surgeon of said vessel sailing thereon, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifests, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a crime or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true to my present belief.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Column 1—Sex.—The entry in column 1 should be expressed in years or months, the latter appropriate only to those animals of age 25 or less.

... The current column should be right M. Haggard.

Asplenium platyneuron (L.) Oakes. The entry in column 6 should describe as open

...and not simply as painter, polisher, moulder,

A distribution of the land between *farmers* and *farm laborers*, regardless of the amount of money they were to have.

1. *Owner*—owns and operates a farm, either for himself or others.
2. *Operator*—operates a farm for the man who owns it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the cargo.

Aliens intending to pass through and out of the United States should be recorded under legal occupations. If transient, those coming only for a temporary source of

the United States, but not intending to pass through in transit, should be classed as "tourists" under board of occupation.

Example: Table to read and write. Column 7 is subdivided and the entries therein should be either Yes, Yes, can read and write; No, No, can neither read nor write; or Yes, No, can read but not write.

Column 7 *Administrative Column* 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 4: Race or people. The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" (nationality) and "French" (race) are not the same thing.

“French” appearing on a manifest does not necessarily mean “France” by race or people, and similarly, “French” appearing on a manifest does not necessarily mean “France” by nationality. An alien who is Irish, German, or Hebrew by race

might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

The term "Cuban" refers to the Cuban people (not Negroes).

"West Indian" refers to the people of the West Indies other than Cuban Negroes.

SPANISH AMERICANS

"Spanish-American" refers to the people of Central and South America of Spanish descent.

Affidavit of Surgeon.

I, José Payan, Surgeon of the ANTONIO LOPEZ, do
solemnly, sincerely, and truly, declare that I have had 15 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Habana

and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 24 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Swear to before me this

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Jose Caragana, of the ANTONIO LOPEZ, from Barcelona, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime, or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907, at New York.

* State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Jose Pascual, Surgeon of the ANTONIO LOPEZ, do solemnly, sincerely, and truly declare that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Barcelona, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907, at New York.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M. (male) or F. (female).

Column 3 (Married or single).—The entry in column 3 should be either M. (married) or S. (single). W. (widowed) or D. (divorced).

Column 4 (Profession or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, Cook, housekeeper, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, steam boiler, turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money given, as follows:

Farmers.—Those who operate a farm, either for himself or others.

Farm laborers.—Those who work on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through, in transit, should be listed as "tourists," under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Column 6 (Country of birth).—Column 6 should be construed to mean the country of which immigrant was citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "English" appearing on a manifest does not necessarily mean "English" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose signature indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., in the provinces of Turin, Lombardy, Veneto, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be listed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., in the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be listed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States by country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show directly the place, city or town, of final destination.

Column 10 (Whether having a ticket for final destination).—The entry in column 10 should be either Yes (ticket), or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitively by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12 (Whether in possession of \$5, and if less, how much).—The entry in column 12 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not Yes or No, in the United States before; and if so, the year (or period of years) and place, as, 1891-92, Philadelphia.

Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15 to 17.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entries in column 2 should be "M" (male) or "F" (female).

Column 3 (Married or single).—The entry in column 3 should be "M" (married), "S" (single), "W" (widowed), or "D" (divorced).

Column 4 (Calling or occupation).—The entries in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engine driver, electrician, painter, cooper, harness maker, shoemaker, farmer, laborer, etc., and not simply occupation, painter, miller, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the farmer who operates it.

Steamship companies should make the distinction in the manifests, and corrections should be made, if necessary, by inspectors and treaty clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under "land occupation," as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," and a land of occupation.

Column 5 (Whether read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which an immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and treaty clerks in this regard.

For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-114

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Liguria, Tuscany, the Marches, Emilia, Romagna, the Abruzzi, and Molise—Compania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendents should be classed as "Italian (north)." Most of these peoples speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Emilia, Romagna, the Abruzzi, and Molise—Compania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendents should be classed as "Italian (south)." Most of these peoples speak a dialect of the Italian language.

Column 8 (Whether having a legal right of destination).—The entry in column 8 should be either Yes (alien) or No (not alien).

Column 9 (By whom was passage paid).—The entry in column 9 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 10 (Whether in possession of \$20 and of less than \$20).—The entry in column 10 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 11 (Whether ever before in the United States, and if so, when and where).—The entries in column 11 should show whether or not a vessel No. in the United States before, and if so, the year or period of years and place, as, 1889-92, Philadelphia.

Column 12 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 12 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 13 to 15.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, A. B. Ware of the _____ from _____ do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, of the surgeon employed by the masters thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 79 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a badness, or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise, or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1901, before me, _____ officer.

State whether Master, First or Second Deputy.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to children under 1 year of age.

Column: Marital or single. The entries in column 3 should be: M (married), S (single), Wd (widowed), or Div (divorced).

Column 1: Occupation or occupation. The entry in column 1 should describe as completely as possible the occupation, trade, or profession in which the individual is engaged. Civil engineer, stationary engineer, locomotive engineer, attorney at law, nurse, publisher, steel polisher, iron moulder, wood turner, etc., and not simply iron moulder, molder, turner, or other indefinite designations.

A distinction should be made between *flows* and *stocks*, regardless of the amount of money shown, as in flows.

A *laborer* is one who operates a farm, either for himself or for others.
A *farm laborer* is one who works on a farm for the man who operates it.
Sponsorship companies should make this distinction of the manifestos and corrections should be made, if necessary, by inspectors and not by clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as

Column 1: Able to read and write. Column 1 is subdivided and the samples therein should be either Yes: can read and write; No: No; can neither read nor write; or Yes: No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

(Column 2: Race or people) The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by

name or people and similarly, "French" appearing on a name list does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN 21

"Spanish-American" refers to the people of Central and South America of Spanish descent.

Affidavit of Surgeon.

I, E. M. Ken, Surgeon of the CAMPANIA, Barling Shaw,
solemnly, sincerely, and truly swear that I have had 4 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of
Miss Clark and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest 29 Sheets, are, according
to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

Sworn to before me this 11th day of May 1901

at 

Immiration Officer.

Column 7 (Race or people). The entry must show and indicate the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the question of "French" by race, nationality, and name should be carefully revised by inspectors and cognate works in this regard. For instance, "France" appearing on a name label does not mean "French" by race or people, and similarly, "French" appearing on a name label does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinction should be specially observed:

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

* Since φ is a θ -surjection, $\varphi^{-1}(a) \cap \varphi^{-1}(b) = \varphi^{-1}(a \cap b)$. Therefore, $\varphi^{-1}(a) \cap \varphi^{-1}(b) \in \mathcal{A}$. Hence, $\varphi^{-1}(a) \cap \varphi^{-1}(b) \in \mathcal{A}$.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Column 2 (Age).—The return of age in column 3 should be expressed in years or

Column 4: Married or single—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Call or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession in each day arrival, as for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

¹ A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A former is one who operates a farm, either for himself or others.

Steamship companies should make this distinction on the manifests, and correction should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Caution: (Able to read and write) - Column 7 is subdivided and the entries therein should be either Yes - Yes (can read and write), No - No (can neither read nor write), or Yes - No (can read but not write).

Colloquium (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Colorem — (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and should be carefully noted by instructors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes)

WEST INDIAN

* "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANTSIH-AMÉRIKA

"Spanish-American" refers to the people of Central and South America of Spanish descent. 11-1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it. Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarدينia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (per ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession. For example, arrival, as for example, Civil engineer, stationary engineer, passenger engineer, mining engineer, house painter, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, painter, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the one who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Citizenship).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing in a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban race (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants) should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entry in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that citizenship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.
Column 10 (Other having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom last passage paid).—The entry in column 11 should show the title by which passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entry in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, L. E. Wan, of the Campania from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Commanding Officer.

Sworn to before me this 14 day of May, 1907.

W. J. Marshall
Immigration Officer.

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, L. E. Wan, Surgeon of the CAMPANIA, sailing therewith, do solemnly, sincerely, and truly **SWEAR** that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M. B. C. H. C. H. C. H., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 14 day of May, 1907.

W. J. Marshall
Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession. Each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided, and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro whether coming from Cuba or other islands of the West Indies, North or South America, Europe, Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of the River Po in northern Italy (i. e., compartments of Liguria, Tuscany, the Marches, Emilia, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardegnia) and their descendants should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Emilia, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardegnia) and their descendants should be classed as "Italian (south)." Most of these people speak a dialect of the Italian language.

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for column 8 purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifest as United States for country of last permanent residence.

Column 9 (First destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 10 (Whether having a ticket to said final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom and passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother or other relative, friend, steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how made).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not, Yes or No, in the United States before; and if so, the year (or period of years) and place, as, e. g., Philadelphia.

Column 14 (Name of relatives, friends, and other persons to whom they are going).—The entry in column 14 should show whether going to join other relative or friend; and if so, what relative or friend, with name and address.

Column 15 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, C. Linker Surgeon of the CAMPANIA do solemnly, sincerely, and truly **SWEAR** that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M. P. C. M. * State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether ever before in the United States; and if so, when and where).—The entry in column 12 should be either Yes (has been) or No (has not been).

Column 13 (By whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or Single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as, for example, Civil engineer, stationary engineer, locomotive engineer, electrician, machinist, iron polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the one who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people, as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubes (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Liguria, Piedmont, the Marches, Lombardy, the Veneto, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, north."

Column 11 (Last permanent residence).—The entries in column 11 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States (or country of last permanent residence).

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; if outside the United States.

Column 13 (Whether having a ticket to reach final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom and for how long).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of \$20 and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States) and if so, when and where. The entries in column 16 should show whether or not (Yes or No) in the United States before and if so, the year (or period of years) and place, as, 1891-92, Philadelphia.

Column 17 (Going to join relative or friend, or if so, what relative or friend).—The entry in column 17 should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Instead of showing occupation of tourists and aliens in transit, state in column 6 whether they are "tourists" or "in transit."

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. J. Marshall, of the CAMPANIA from LIVERPOOL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

COMMANDING Officer.

Swear to before me this 14 day of March, 1907.

at NY Marshall
Immigration Officer.

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, C. Lister, Surgeon of the CAMPANIA, do solemnly, sincerely, and truly SWEAR that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M. A. C. M. D., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 26 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Swear to before me this 14 day of March, 1907.

Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Bohemian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1113

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 10 (Whether having a ticket for such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

Column 14 (Time to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy north of the River Po (also, compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants) should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1898 at Philadelphia.

Column 16 (Going to join relative to friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, John J. Campbell, of the CAMPANIA, from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in murder, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

State whether Master, First or Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

(Column 3 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex): The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single): The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

A distinction should be made between *facturae* and *factu* balances, regardless of the amount of money shown, as follows:

A *farm laborer* is one who works on a farm for the man who operates it.

Stand-up inspectors should make this distinction by the manifests and corrections should be made, if necessary, by inspectors and registry clerk during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation. "In transit," those coming out for temporary sojourn in the United States, but not intending to pass through on transit, should be classed as "tourists" under head of occupation.

Column 4 (able to read and write): Coding 1 (can read) and the entries thereon should be either Yes—Yes, can read and write; No—No, can neither read nor write; or Yes—No, can read but not write.

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

(Column 4: Race or people). The entry in column 4 should show the race or people as given in list on reverse side of alien form list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "Pretch" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following definitions should be specially observed:

CLDAN.

The term "Cuban" refers to the Cuban people (not Negroes):

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes)

SPONTANEOUSLY AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent. 11-1113

VERHOEF AND VERK

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any individual whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN NORTH

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, A. V. and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (northern)." Most of these people speak a Gallic dialect of the Italian language.

THAILAND SOUTH

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descend-

Column 7: Last permanent residence. The entries in column 7 should show the country and city or town of last permanent residence. It is important for statistical purposes that foreign-born persons—namely those of foreign birth, nationality, or race—show their last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (W) other having a ticked to each item (test material). The entry in column

Column 10. *By whom was passage paid?* The entry in column 10 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; agent; or other person, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money

Money brought by the head of a family should not be divided among the several members of the family.

The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place; as, 1846, Philadelphia.

entry in column 16 should show whether going to join either a relative or friend: and

20. what relative or friend, with name and complete address.

Columns 17 to 27. The answers in these columns are subject to revision by an inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. Linker, Surgeon of the CAMPANIA, SAILING THERE, do solemnly, sincerely, and truly SWEAR, that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M.D. G.N.B. West, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Special attention should be paid to the distinction between race and nationality, and to the distinction between the "domestic" and "foreign" elements in this regard.

For instance, 'French' appearing on a matelot does not necessarily mean 'French' by race or people, and similarly, 'French' appearing on a matelot does not necessarily mean 'French' by nationality. Yet, a Jew who is Irish, German, or Hebrew by race

The term "Cuban" refers to the Cuban people, not Negroes.

* 'West Indian' refers to the people of the West Indies other than Coloured Negroes.

"Spanish-American" refers to the people of Central and South America of Spanish

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, R. L. Starr, of the CAMPANIA, from 117-100, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 14 day of April, 1907,
at New York,
W. J. Marshall,
Immigration Officer.
* State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, E. Tucker, Surgeon of the CAMPANIA, SAILING THEREWITH, do solemnly, sincerely, and truly SWEAR that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M. B. C. A. Act, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 14 day of April, 1907,
at New York,
W. J. Marshall,
Immigration Officer.
* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "mariners" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".
Column 8 (Last permanent residence).—The entry in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative or friend; steamship company, etc.
Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should show in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which manifest is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in the passport. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race must properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom visa passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1884-85, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

* Instead of showing occupation of tourists and aliens in transit, state in column 6 whether they are "tourists" or "in transit".

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, A. C. Warr of the CAMPANIA from LIVERPOOL do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 34 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn before me this 11 day of July, 1907
at New York
W. H. Marshall
Immigration Officer.

* State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, C. Linker Surgeon of the CAMPANIA SAILING THEREWITH do solemnly, sincerely, and truly SWEAR that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M. R. C. R. R. R. and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 34 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn before me this 11 day of July, 1907
at New York
W. H. Marshall
Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months; the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes)).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$10, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1884-87, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom and passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join other a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

As a consequence, the amount of money stock is not directly related to the amount of money flows. The more a country exports, the more it can import, and vice versa. For instance, if a country exports more than it imports, it can use the surplus to purchase foreign goods and services. This is not the case for a country that imports more than it exports. In this case, the country must use its foreign reserves to pay for the excess of imports over exports. This is why a country's foreign reserves are an important indicator of its financial health.

Strong relationships comprised 40% higher than the baseline level of 1.00, and the political environment should become 3.0% more transparent and accessible to the public.

The term "Cuban" refers to the Cuban people (not Negroes).

*"Wend Indian" refers to the people of the West Indies, other than Cuba (not Negroes).

"Spanish American" refers to the people of Central and South America of Spanish descent.

Abstract. The $2n$ -th order linear homogeneous differential equation with constant coefficients of the form $y^{(2n)} + a_{2n-1}y^{(2n-1)} + \dots + a_1y' + a_0y = 0$ is considered, where the coefficients $a_0, a_1, \dots, a_{2n-1}$ are real numbers. The characteristic polynomial of the equation is $P(\lambda) = \lambda^{2n} + a_{2n-1}\lambda^{2n-1} + \dots + a_1\lambda + a_0$. It is shown that the equation has a nontrivial solution if and only if the polynomial $P(\lambda)$ has a root λ such that $\operatorname{Re} \lambda \geq 0$. The necessary and sufficient conditions for the existence of a nontrivial solution are obtained. The problem is solved for $n = 1, 2, 3$.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500-A, and 1500-B) new numbers 200, 500-A, and 500-B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race, might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

I, Wm. Wm. Kal Chief Officer.

Sworn to before me this 11 day of May, 1907

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance: "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom, and passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Wm. Karl Chief Officer of the St. Louis from Cherbourg, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907
at New York

Wm. Karl
Chief Officer.

* State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, Th. S. Mullen Surgeon of the St. Louis sailing therewith, do solemnly, sincerely, and truly swear that I have had 25 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Jepperson Medical College, Pa., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907
at New York

Th. S. Mullen
Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists;" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in last on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race may "France" by nationality. An alien who is Irish, German, or Hebrew by race may "France" by nationality. An alien who is Irish, German, or Hebrew by race may "France" by nationality. An alien who is Irish, German, or Hebrew by race may "France" by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entries in column 11 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.
Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, ordinary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or other.
A *farm laborer* is one who works on a farm for the farm who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No (can neither read nor write), or Yes, No can read but not write.
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "German" appearing on a manifest does not necessarily mean "German" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from China or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarlinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarlinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)".

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place, city or town of final destination.

Column 10 (Whether having a ticket to each final destination).—The entry in column 10 should be either Yes (ticket), or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$50, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1884-85, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The column of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entries in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married) or S (single). W (widowed) or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, sailing captain, house painter, steel polisher, grain miller, vessel painter, and not simply accountant, pedlar, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Can read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which an alien is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak Italian dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place, city or town of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States, and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.

Column 14 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15 (22).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Instead of showing occupation of tourists and aliens in transit, state in color, as whether they are "tourists" or "in transit".
1. Race or People, as to be determined by the stamp from which they came and the language they speak. List of races will be found on back of this sheet.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Wm Karl Christ of the St Louis from Cherbourg, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907
at New York

Wm Karl Christ Officer.

Wm S. Smith

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply seaman, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
Steamship companies should make this distinction of the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (No can read but can write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which manifestant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France," appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French," appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom passenger paid).—The entry in column 11 should show definitely by whom passenger was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply assistant, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who works on a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (No man neither read nor write), or Yes (No man read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which manifestant is a citizen or subject.
Column 7 (Date of birth).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy south of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy north of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom visa passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Wm Karl, Chief Mate of the St Louis from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907

at New York
Immigration Officer.

* State whether Master, First or Second Officer.

I, J. D. Small, Surgeon of the St Louis, Lehigh University, do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Jefferson Medical College, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907

at New York
Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Marital Status).—The entry in column 3 should be either M (married), Single, Wid (widowed), or Div (divorced).
Column 4 (Calling or Occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, bricklayer, steel painter, team driver, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as cash flow.
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupations "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "transients" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No can read but not write.
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or People).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, European Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these peoples speak a Gallic dialect or the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardegnia) and their descendants should be classed as "Italian (south)."

Column 8 (First permanent residence).—The entry in column 8 should show the country, and, where known, town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place, city or town of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom passage was paid, or how much).—The entry in column 11 should show definitely by whom passage was paid, or how much, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20 and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entry in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 14 (Giving to join relative or friend; and if so, what relative or friend; and if so, what relative or friend, with name and complete address).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

* Instead of showing occupation of tourists and aliens in transit, state in column 6 whether they are "tourists" or "in transit."

* "Race or People" is to be determined by the stock from which aliens sprang and the language they speak. List of races will be found on back of this sheet.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, H. H. Ship Officer, of the ST. LOUIS, from Squidhampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907

H. H. Ship Officer
Immigration Officer.

* State whether Master, First or Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months; the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of the laborer, arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as "carpenter, polisher, molder, turner, etc." or "solitary, disengaged."
A distinction should be made between farmers and farm laborers regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the farmer who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States but not intending to pass through or transit, should be classed as "transients," under head of occupation.
Column 5 (Can read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No—No can neither read nor write, or Yes, No can read but not write.
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, to northern Italy, i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia, and their descendants, whether residing in Italy, Scandinavia, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Emilia, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sicily, and their descendants, should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 8 (Last permanent residence).—The entry in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to reach final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, W. H. King Chief Officer of the ST. LOUIS, from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Affidavit of Surgeon.

I, T. W. Small, Surgeon of the ST. LOUIS, sailing therewith, do solemnly, sincerely, and truly swear that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Illinois, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). The entry in column 3 should be either Married, Single, Widowed, or Divorced.

Column 4 (Calling or occupation). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of the alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Ships' companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write). Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No (can read but not write).

Column 6 (Nationality). Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy in northern Italy (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descent (notwithstanding) be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descent (notwithstanding) be classed as "Italian (south)." Most of these people speak a dialect of the Italian language.

Column 10 (Last permanent residence). The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that ships' companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination). The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as, 1894-97, Philadelphia).

Column 16 (Going to join relative or friend, and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years and months (the latter applies only to those under 1 year of age).

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married) or S (single). W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien arriving, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply an owner, polisher, moulder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers* regardless the amount of money shown, as follows:

a. *Farmers*—those who operate a farm, either for himself or others.
b. *Farm laborers*—those who work on a farm for the man who operates it.

Seamanship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of each alien.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 5 (Can read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes—No can read but not write.

Column 6 (Nationality).—Column 6 should be construed to mean the country of which manifest is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France," appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French," appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Lombardy, Venetia, and Emilia), and those who are, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak Italian dialects of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descend ants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that citizenship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Occupation or profession).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mine engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (No can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-95, Philadelphia.

Column 14 (Going to join relatives or friends).—The entry in column 14 should show whether going to join other a relative or friend, and if so, what relative or friend, with named complete address.

Column 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. H. King, of the ST. LOUIS, from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1909

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, J. W. Small, Surgeon of the ST. Sworn to before me this 11 day of May, 1909
at New York
J. W. Small
Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien arriving, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply assembler, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A *farmer* is one who operates a farm, either for himself or others.
A *farm laborer* is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these peoples speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardegnia and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$5. and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-97, Philadelphia.
Column 14 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join other a relative or friend, and if so, what relative or friend with name and complete address.
Columns 15 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

* Instead of showing occupation of tourists and aliens in transit, state in column 6 whether they are "tourists" or "in transit".
† "Race or People" is to be determined by the stock from which aliens sprang and the language they speak. List of races will be found on back of this sheet.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Wm. Keel, of the ST. LOUIS, from St. Louis, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907

* State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, J. W. Small, Surgeon of the ST. LOUIS, do solemnly, sincerely, and truly swear that I have had 14 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Jefferson, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907
at New York

Immigration Officer.

* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS

Column 1 (Age).—The return of age in column 1 should be made in full, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either "male" or "female."
Column 3 (Married or single).—The entry in column 3 should be either "married" or "single."
Column 4 (Profession or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Coal miner, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists," under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, No, can read but not write, or No, can neither read nor write, or Yes, can read but not write.
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully rectified by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place, city or town, of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.
Column 14 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. H. Day, of the ST. LOUIS, from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907, at New York, Immigration Officer.

State whether Master, First or Second Officer.

Affidavit of Surgeon.

I, W. H. Small, Surgeon of the ST. LOUIS, Italy, do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Medical College, Pa., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907, at New York, Immigration Officer.

*State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Occupation or trade). The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as hammer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

1. Farmers are who operate a farm, either for himself or others.

2. Farm laborers are those who work on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write). Column 5 is subdivided and the entries thereon should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes (can read but not write).

Column 6 (Nationality). Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people). The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Helene by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**
"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).
- SPANISH-AMERICAN.**
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).
The people who are native to the basin of the River Po, in northern Italy, i. e., the portions of Piedmont, Lombardy, Venetia and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po, i. e., the portions of Liguria, Provence, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Sicily, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence). The entries in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination). The entry in column 9 should show definitely the place, city or town of final destination.

Column 10 (Whether having a ticket to reach final destination). The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom passage paid). The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12 (Whether in possession of \$20 and if less, how much). The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where). The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1884-85, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend). The entry in column 14 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 15 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. H. Ship Officer, of the ST. LOUIS, from Southern, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907
at New York.

State whether Master, First or Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widow), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron worker, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the physical examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).
Column 11 (By whom trip passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.
Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, T. W. Small, Surgeon of the ST. LOUIS, being sworn, do solemnly, sincerely, and truly swear that I have had 10 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Medical College, N. Y., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 11 day of May, 1907

Most of these people speak a (Gallo) dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination.
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of such alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. H. Smith, of the ST. LOUIS, from Southampton, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 11 day of May, 1907
at New York.

INSTRUCTIONS FOR FILLING ALIEN

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. "In this connection the following distinctions should be specially observed:

CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to persons coming from Cuba or other islands of the West Indies, or Africa. Any alien whose appearance indicates an African descent should be classified under this heading.

The people who are native to the compartments of Piedmont, Lombardy, and Switzerland, and who are residing in Italy, Switzerland, or as "Italian (north)." Most of them are in northern Italy (i. e., compartments of Liguria, Umbria, Rome, the Abruzzi, and Basilicata) and their descendants.

The people who are native to the compartments of Liguria, Umbria, Rome, the Abruzzi, and Basilicata) and their descendants.

Column 10 (Last permanent country, and city or town of birth).—It is important for statistical purposes that steamship companies independent of country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether he is a relative of the person by whom passage was obtained).—The entry in column 12 should show definitely whether, brother, or other relative; friend; steamship company; or other.

Column 13 (Whether he is a relative of the person by whom passage was obtained).—The entry in column 13 should show definitely whether, brother, or other relative; friend; steamship company; or other.

Column 14 (Whether he is a relative of the person by whom passage was obtained).—The entry in column 14 should show definitely whether, brother, or other relative; friend; steamship company; or other.

Column 15 (Whether he is a relative of the person by whom passage was obtained).—The entry in column 15 should show definitely whether, brother, or other relative; friend; steamship company; or other.

Column 16 (Whether he is a relative of the person by whom passage was obtained).—The entry in column 16 should show definitely whether, brother, or other relative; friend; steamship company; or other.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.
The information returned on the manifest (Forms 550, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.
Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:
A farmer is one who operates a farm, either for himself or others.
A farm laborer is one who works on a farm for the man who operates it.
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.
The term "Cuban" refers to the Cuban people (not Negroes).
WEST INDIAN.
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.
"Spanish-American" refers to the people of Central and South America of Spanish descent.
AFRICAN (BLACK).
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.
ITALIAN (NORTH).
The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
ITALIAN (SOUTH).
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."
Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.
Column 12 (Whether having a ticket to each final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.
Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.
Money brought by the head of a family should not be divided among the several members of the family.
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.
Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list of reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to reach final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.
